I spy nouns

This lesson will introduce students to nouns. The lesson will begin with a game of "I Spy." This game will help students to understand that nouns are things that can be seen and touched. Then the students will make lists of people, places, and things.

A lesson plan for grade 1 English Language Arts

BY BETH EDMONDS

Learning outcomes

Students will:

- The learner will participate in a game of "I Spy."
- explain that a noun is a person, place or thing.
- identify a noun as a person, place or thing.
- make a list of nouns (people, places, things).
